

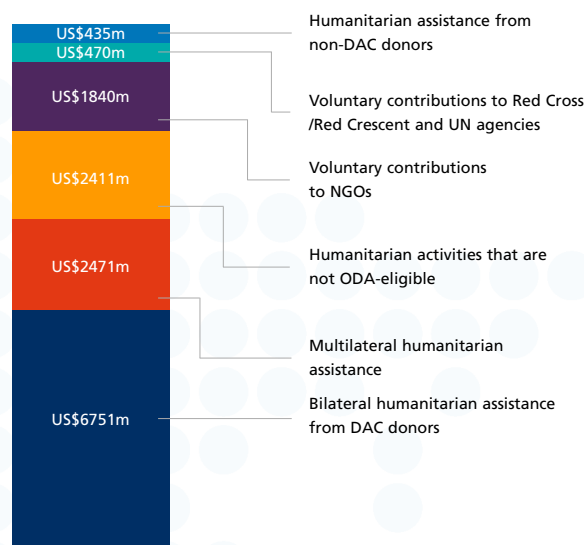

**Figure 1.7:** GHA guesstimate of global humanitarian assistance, 2006 [Source: OECD DAC, Table 1 and Part 1, Fund flows 114; OECD DAC CRS; UN OCHA FTS; GHA special report on NGO funding for humanitarian activities; and annual reports]

The funds raised for humanitarian activity from voluntary sources from 19 of the largest NGOs amounted to US\$1.4 billion in 2006. We guesstimate that these NGOs account for around 75%–80% of total NGO voluntary funding. Our estimate for total NGO voluntary funding in 2006 is therefore around US\$1.7–US\$1.8 billion.
